

SafeRide – Your Safety, Our Priority!

SafeRide is a women ride-hailing app that ensures every journey is secure.

Safety Features You Can Trust

- **SOS Button** – Instantly alert emergency contacts and local authorities.
- **Driver Verification with AI Safety Score** – Facial recognition & vehicle authentication with real-time AI risk assessment.
- **Live Trip Tracking** – Share your route in real-time with family or friends.
- **24/7 Support** – A dedicated safety team available around the clock.
- **Route Deviation Alerts** – Get notified if your driver takes an unexpected turn.
- **Trusted contacts/Safety Circle** – Add trusted people who can monitor your ride live.

Why SafeRide?

- Peace of mind from pickup to drop-off.
- Transparent pricing – no hidden charges.
- Feel secure and safe to travel **anytime, anywhere!**

Download SafeRide today. Ride safe, Arrive happy.
